Suzy Elsworth-Heithcock

"Epic Nature"

Lamorinda Arts Council invites you to the virtual exhibit of Lafayette artist, **Suzy Elsworth-Heithcock**, featuring 12 works focused on landscapes, figurative paintings and works from her imagination. Elsworth-Heithcock is conscious of the difficulty of presenting a multi-dimensional world in a two dimensional work. She introduces elements of the fourth dimension, time, by suggesting the movement of branches, leaves or hair or emphasizing the gnarled age of a tree. "Portraying a flow of movement is fundamental to my work", says Elsworth-Heithcock.
